London D3.js October: Accessibility and (some) Alternatives to D3

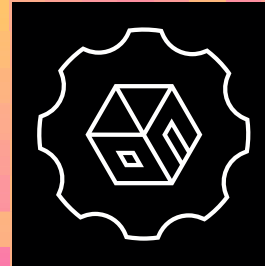

18:30

Evening of data visualisation talks about accessibility with SVG and tables, and an honest discussion about the D3 ecosystem and its tooling

ALL WEEK

MozFest House
Co-Working Space

09:30 – 17:00

moz://a
festival
house

MozFest House @ the RSA extends MozFest into a week-long festival. 5 days of workshops, films, socials, and unconferences run by our partners, friends, and allies in the internet health movement.

MozFest House participants are invited to dig deeper into their work, trade ideas, swap code, and build solutions.

All events must be registered for individually, please ask at MozFest House registration for more information.

MONDAY, OCTOBER 22

Modern Campaign Fundamentals

09:00 – 17:00
